

Peer Networks

Create a trusted support network

Peer Networks is a national peer-to-peer networking programme for SME leaders that want to grow and develop their organisation for future success.

The Lincolnshire Chamber of Commerce and SkillsReach are local partners for Business Lincolnshire, delivering the programme to SMEs in the rural, agriculture, horticulture and food sectors.

Peer Network Briefings

We are working with SkillsReach to deliver short briefings for SMEs with an aim to better understand the programme.

In under 30 minutes you'll discover how collaborating with other local SMEs can lead to a strong support network, overcome business challenges – and a stronger business!
