E V E N T S

MONDAY 20TH JUNE 2022

Remembering 40 years since the Falklands conflict

Every year North Kesteven District Council proudly supports Armed Forces Day with a range of initiatives aimed at building a better understanding and strengthening the relationship between the community and our Armed Forces, past, present and future.

We are always keen to involve businesses such as yours by encouraging the creation of striking window displays and promoting any discounts you offer to Forces personnel, their families and Veterans either during the week or throughout the year.

To give a head start on what we're planning, dates and deadlines we hope this leaflet will help you to identify ways through which you can get involved this Summer.
